During February, our normal price of 700-1,000 pesos for teeth cleaning (cats and dogs) has been reduced by 20% (includes anesthetic and professional cleaning with ultrasonic scaler/polisher). February 2026 Pets of the Month**By Megan Gabel****Casey**

Casey is a puppy, only 5 months old! She is an adorable, brindle little girl who loves to be spoiled. She is playful, affectionate, and tireless. She enjoys running after a tennis ball, pouncing on it, and running with it in her mouth. Such a cute baby! Check out her video and see for yourself! <https://youtu.be/MyUUXDTuMVU>

**Bruno**

Bruno is a darling boy, eager for attention. He is a small/medium-sized terrier mix, 2-1/2 years old. Friendly and affectionate, he likes running after a tennis ball, picking it up, and occasionally bringing it back to you. <https://youtu.be/kIz0gFd1lLE> He's fun! He happily greets you when it's his turn for a walk. He doesn't pull on leash and seems to enjoy the adventure. He is sweet, gentle boy.

**Oreo**

Oreo, about 5-1/2 years old, is a very pretty gray and white tabby with mostly a white salt and pepper coat. She is quiet, peaceful, and loving and gets along well with people and other cats and kittens. She enjoys her quiet time with a few breaks to play with the others and their catnip toys.

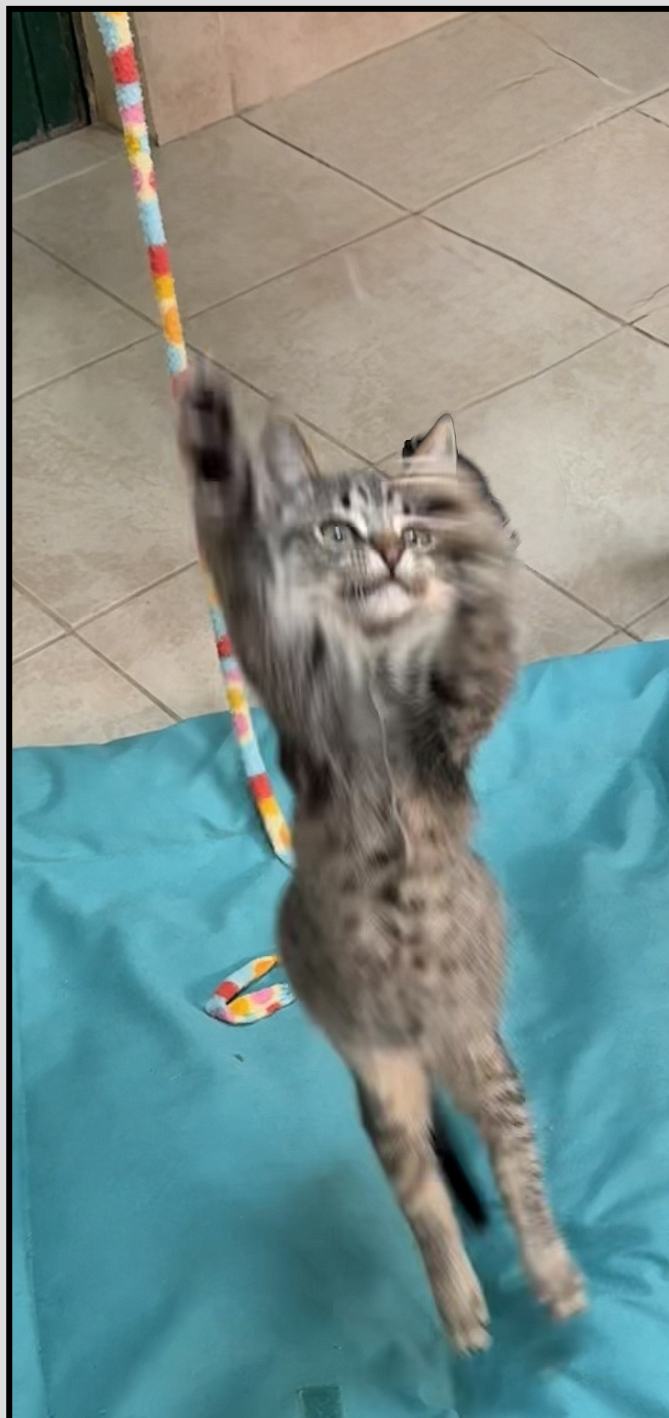

Sara, almost 4 years old, is a sensitive cat who needs a patient owner willing to take the time necessary to gain her trust. She no longer just keeps to herself, but now enjoys attention. Sara will thrive in a household that is calm and quiet.

The Poerty of Stretching

We are so pleased with the article about the S.P.A. just published in the January edition of The Eye Mexico! The article is full of good information about the S.P.A., what we do, how we operate, where our animals come from, our adoption process, and more.

Check it out on pages 6 and 7 online – it's also available in hard copy.
