HOPE, HEALTH, HOMES FOR CATS AND DOGS IN NEED

From the Director

Happy 2026! We are very grateful to all who volunteered and donated to the S.P.A. during 2025. We appreciate your help! GREAT NEWS: We were able to take full advantage of the offer from anonymous donors to match new donations through December 31 up to a total of \$3,000 USD! Donations make it possible for us to provide food, care, and shelter for our resident dogs and cats and those in foster care while they wait to be adopted. Without your financial support and support as volunteers, we could not do what we do.

We would love to have you volunteer at the S.P.A.! Spend quality time helping to socialize our cats and kittens. Get into shape (work off those holiday pounds) by walking/socializing our dogs. We think you will be surprised what a rewarding and enjoyable experience it is. For more information and to set up an interview, please write info@spasanmiguel.org

Don't forget that our veterinary clinic is open to the public! We have a terrific, well-equipped clinic with a wonderful vet, Dr. Omar Córdova. The S.P.A. can provide routine care for your pet (general check-up and vaccinations) and meet all your pet's needs, including diagnosing and treating medical issues, taking x-rays, doing lab work, performing sterilizations and other surgeries, and providing emergency care. We can also microchip your pet for the lowest price in town. Set up an appointment by calling 415-152-6124.

Here's to a happy, healthy 2026! Cheers!

-Megan Gabel, General Director

January 2026 Pets of the Month

By Megan Gabel

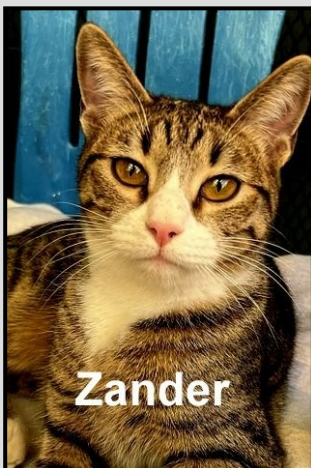

Yaba is a 3-year-old Chihuahua mix with a joyful outlook on life. When it is her turn for a walk, I approach her with leash in hand and a lilt in my voice, "Yaba Daba Do, are you ready for a walk?" She's always ready! Yaba likes going for a walk and gets excited when it's her turn. She's also easy to walk, no pulling, no stubbornness. She's a little frightened when motorcycles or cars come whizzing by and crouches in response. She is open about meeting new people and has turned out to be a darling little girl. She's a good listener and a cuddler – our veterinarian's favorite!

Now about 2 years old, Mocha is a medium-sized beautiful Labrador mix with a personality filled with zest and zeal. She loves people, playing with people, mixing with other dogs, walking, and getting attention. She is very observant and quietly checks out her surroundings. On top of that, she's a very happy dog.

For cat Pets of the Month, we want to focus on Zara and Zander. Zara is all dressed up for the holidays without any place to go! How about home with you? We really would like to find her a home. She is a beautiful tuxedo girl with a playful spirit and a heart full of love. Only about 8 months old, she is as smart as she is sweet, always curious and ready for fun. Whether she's chasing a toy, exploring her surroundings, or curling up for cuddles, Zara's joy is contagious.

Zander, about 4-1/2 years old, is a very handsome brown tabby with white paws and caramel-colored eyes. He's playful and loves to be around people. He is also alert for anything that might be a bug or a critter. This reserved fellow would be perfect as a single pet and sure to become a loyal companion. He has been at the S.P.A. since May 2021! Isn't it time he had a home?

Adopt any of these Pets of the Month during January and receive a free adoption kit. Meet them and all our available cats and dogs at the S.P.A., Los Pinos #7, Monday-Saturday between 11 and 2, 415-152-6124. Our adoption fee is 600 pesos which includes all current vaccinations, deworming, and sterilization.
