HOPE, HEALTH, HOMES FOR CATS AND DOGS IN NEED

From the Director

Happy Halloween! It's a fun time of the year. Vanessa at our front desk is planning to wear a costume on 6 days this month!

Did you know that the S.P.A.'s veterinary clinic is open to the public? Well, it is! And we have a terrific veterinarian – Dr. Omar Córdova. He is very experienced and a compassionate caregiver.

The S.P.A. has a well-equipped clinic and can provide routine care for your pet (general check-up and vaccinations) and meet all your pet's needs, including diagnosing and treating medical issues, taking x-rays, doing lab work, performing sterilizations and other surgeries, and providing emergency care.

Are your pets' vaccinations up-to date? Come to the S.P.A.'s clinic for their annual or six-month regular exams and to check the status of their vaccinations. Tuesdays and Saturday are discount days! The prices for a consultation with our veterinarian and most vaccinations are reduced on those days.

The S.P.A. can microchip your cat or dog for \$1,000 pesos each, the most economical price in town. If you are taking your dog to the United States, a microchip is now necessary, according to CDC rules.

We offer packages to help save you money on veterinary care for your cats and dogs. Read about them here: <https://www.spasanmiguel.org/clinic-services>

Please call 415-152-6124 for an appointment at our clinic.

October 2025 Pets of the Month**By Megan Gabel****Ollie**

Ollie is a sweet and playful female kitten, now about a year old. With her bright eyes and curious spirit, she is quick to make friends, especially with people! Ollie loves attention, snuggles, and being part of whatever you're doing. Whether it's cuddling on the couch or following you around the house, she is happiest when she's with her people.

**Xel-Ha**

About 7 years old, Xel-Ha is always the first to greet volunteers from her cat perch by the door. A true people lover, Xel-Ha is bound to endear your heart with her sweet and earnest companionship.

**Jazmin**

Jazmin, just a little over 2-1/2 years old, is a small/medium-sized pretty dog, rescued by the S.P.A. from Canine Control. She is a lovely girl, calm, friendly, and very sweet. She does well on leash and ambles along on a walk.

What a happy girl Selena is! She is a small/medium-sized beauty, full of kisses and love! A calm girl, she gets along well with people and other dogs. Now about 4-1/2 years old, she is absolutely ready to become part of a loving family.

**Selena**
