HOPE, HEALTH, HOMES FOR CATS AND DOGS IN NEED

From the Director

THE S.P.A.'S CLINIC IS THERE FOR YOU! Have you brought your pet to the S.P.A.'s clinic for care? We have a terrific, well-equipped, on-site clinic with a wonderful vet, Dr. Omar Córdova. Come to the S.P.A. for routine care for your pet (general check-up and vaccinations) and to meet all your pet's needs, including diagnosing and treating medical issues, taking x-rays as needed, performing sterilizations, teeth cleanings, and other surgeries, and providing emergency care. Although walk-ins are welcome, it is best to call for an appointment (415-152-6124). Don't forget that Tuesdays and Saturdays are discount days! Consultations and most vaccinations are reduced on those days. We also offer packages to reduce your costs of vaccinations, sterilization, and more. Details are [HERE](#).

VOLUNTEERING AT THE S.P.A. IS FUN! And good for your mental and physical health. Spend as much or as little time as you want during regular volunteer hours (11-2, Monday-Saturday). Our cats and dogs will be so happy to see you. Many will give you adoring looks when they see you coming that will melt your hearts. You'll be surprised at what a joyful and rewarding experience it is.

Hints for volunteering in the hot weather: Wear a cold, wet bandana around your neck, rewet often. Wear light colored, loose fitting clothing. Drink a lot of water. For those in the cattery, use a hand fan or battery-operated fan. For dog walkers, wear a hat, take frequent breaks, sit in the shade, relax a few minutes, and have a good long drink of water. Our cats and dogs will be so happy you made the effort!

-Megan Gabel, General Director

April 2025 Pets of the Month

By Megan Gabel

Aussie is the first to ask for love and hugs when the volunteers arrive. He is very vocal about his desire for attention. The minute someone sits on the floor with a brush, he's one of the first to ask for affection. A handsome, talkative, social black and white tuxedo cat with short hair, Aussie is now around 9 years old, having been at the S.P.A. since 2016. He is more than ready for his forever home!

Zander, about 4 years old, is a very handsome brown tabby with white paws and caramel-colored eyes. He's playful and loves to be around people. He is also alert for anything that might be a bug or a critter. This reserved fellow would be perfect as a single pet and sure to become a loyal companion.

Nena is a delightful dog! Medium-sized, about 3 years old, and is friendly, sweet, and easy to walk. A happy girl, she is always eager to go for a walk and bolts out of her casita, ready to go. On the street, she walks calmly and slowly. She has a lustrous coat, lively eyes, and seems to like everyone – people and other dogs.

Baxter, almost 3 years old, is a happy boy. His tail is constantly wagging, signaling that he is eager for some love and attention which he is happy to reciprocate. Small/medium-sized, he's a really nice dog, enthusiastic and friendly.

Adopt any of these Pets of the Month during April and receive a free adoption kit. Meet them and all our available cats and dogs at the S.P.A., Los Pinos #7, Monday-Saturday between 11 and 2, 415-152-6124. Our adoption fee is 600 pesos. For dogs, it includes sterilization, all current vaccinations, deworming, and the leptospirosis booster. For cats, the fee includes sterilization, all current vaccinations, deworming, and the feline leukemia vaccine and booster. You can preview all our dogs here: <https://www.spasanmiguel.org/adopt-me-dogs/> and our cats here: <https://www.spasanmiguel.org/adopt-me-cats/> Clicking on the animal's photo will take you to another page with a bigger photo, a bio, and, for dogs, a video.
