HOPE, HEALTH, HOMES FOR CATS AND DOGS IN NEED

From the Director

Good news! Due to popular demand, our dental special has been extended through March! Call for an appointment.

The reasons to get your pet's teeth cleaned are not limited to aesthetics. Taking care of your pets' teeth and gums not only freshens their breath, but also is vitally important to their overall health. Proper dental care contributes to a longer life too. Periodontal disease (an inflammation of a tooth's deep supporting structures) causes the build-up of plaque on the teeth. According to the American Veterinary Dental College, periodontal disease may cause problems in the mouth and teeth and also "be associated with damage to internal organs in some patients as they age." It is often not treated until it is too late and has already done extensive damage. Make your appointment today!

March 2026 Pets of the Month

By Megan Gabel

Darcy

Darcy is a stunning grey tabby boy, the perfect blend of calm and playfulness, socially outgoing, yet easy-going. After a good romp, he'll curl into your lap and purr contentedly. This [VIDEO](#) highlights Darcy's personality.

Zara

Zara is a beautiful tuxedo girl with a playful spirit and a heart full of love. She arrived at the S.P.A. in mid-July 2025 at 2 months old. She is as smart as she is sweet, always curious and ready for fun. Whether she's chasing a toy, exploring her surroundings, or curling up for cuddles, Zara's joy is contagious.

Baxter

Baxter is a happy fella! His tail is constantly wagging, signaling that he is eager for some love and attention which he is happy to reciprocate. Almost 4 years old and medium-sized, he's a really nice dog. Baxter's video is [HERE](#).

Muñeca is a medium-sized stunning Doberman mix who is a little shy, but doing well with new dog friends and relaxing more and more about going for a walk. A little over 4 years old, she is not aggressive at all and getting more courageous

about going for a walk. She likes to be talked to in a quiet, soothing manner and is very alert and observant. Muñeca's video is [HERE](#).
